DETAILED ACTION

Response to Amendment

1. This Office action is responsive to applicant's amendment, filed August 22, 2005.
Claims 1 and 3-9 are pending.

Allowable Subject Matter

2. Claims 1 and 3-9 are allowed.
3. The following is an examiner's statement of reasons for allowance: No prior art has been found to disclose or suggest "wherein said print layout determination means concentrates dots of the print dot layout in the region of interest at the center of the region in a case where the total numbers of print dots in the regions around the region of interest are small and the total number of dots in the region of interest is small, distributes dots of the print dot layout to the right and left sides in the region of interest in a case where the total number of print dots in the regions around the region of interest are large and the total number of dots in the region of interest is small, and shifts dots of the print dot layout in the region of interest to a region around the region of interest, which has more large number of dots than the other region around the region of interest in a case where a difference between the total numbers of print dots in the regions around the region of interest is large," as recited in base claim 1, and as similarly recited in base claims 6 and 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
